HUNTER CLASS SPECIFICATIONS

The courses offered at this show will consist of at least eight fences with two changes of direction. Unless otherwise noted, the second over fences class in each "AA" rated hunter division will be a handy hunter course. The fences will simulate obstacles found in the hunting field. The area of the courtesy circle may be restricted by a mandatory line and will be indicated on the course diagram and designated by a physical barrier placed in the arena. Course diagrams will be posted at least one hour before the class.

HUNTER SCHOOLING will take place in the sand hunter rings the day prior to the start of the horse show: Hunter nominating fee includes schooling at no charge. In the rated hunter rings a one-minute gate will be enforced, and trainer conflicts will not be allowed to delay the ring. **No poling or offsets allowed.**

Orders of Go – Classes in the Hunter Rings will have specific starting times for each class and these times will be adhered to strictly. Each hunter class in the hunter rings will have an allotted amount of time. Classes will end at the scheduled finish time. Riders who have not shown by that time will not be allowed to show. Posted orders may be imposed at any time. All entries must be made by 5:00 PM (or ½ hour after the last class, whichever occurs first) the day prior to each class.

15. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse--a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

16. STABLING: Horses are allowed to move-in the Monday prior to the start of the horse show. Please contact the facility to make arrangements for any stabling prior to those dates. Stalls whether occupied by horse, feed, or tack, will be available for \$200. If stalls are not paid in full by the closing date of entries, they will be an additional \$30. First bedding will not be included. Permanent stalls are of wood or canvas construction 10'x10' with doors. **NO STRAW BEDDING WILL BE PERMITTED, AND ONLY SHAVINGS WILL BE PERMITTED. ANY EXHIBITOR USING STRAW WILL BE ASSESSED AN ADDITIONAL CHARGE. ANY EXHIBITOR REMOVING STALL DOORS WILL BE CHARGED AN ADDITIONAL \$100.**

17. GROUNDS FEE: There will be a \$50 per day grounds fee for horses trailering in and out and not renting a stall.

18. FEED & BEDDING: Hay and Shavings will be available and can be ordered in the Horse Show Office. Advance orders may be made by calling (949) 443-1847. Orders must be placed by 12:00 P.M. for same day delivery.

Exhibitors may bring their own feed/shavings, however, deliveries by outside feed/shavings companies are prohibited. Exhibitors who bring their own shavings may be subject to a clean-up fee.

19. MANURE: Manure must be placed in designated areas. Trash must be kept separate from manure. **Each violation will result in a \$100 fine.**

(\$50 MINIMUM)** Persons will be given ten days to settle their account, with cash or cash equivalent including penalties, or be turned over to USEF & PCHA for disciplinary action.

22. SCHOOLING RULES: Schooling will be permitted in designated sand schooling areas only. (The word "schooling" includes, but is not limited to riding, driving, longeing, leading and exercising.) Ample jumps in the appropriate areas will be provided for schooling. The rider/trainer/coach/person setting the jumps is responsible to ensure that all components of the jump are available and if such parts are not readily available, they agree to notify the paddock steward. The rider/trainer/coach/person setting the jumps is responsible to ensure the jump is set correctly in compliance with USEF rules and assumes the risk for improperly setting the jump. **In accordance with California state law, poling and/or the use of offsets WILL NOT be permitted.** Violations of schooling regulations may be considered cause for FINES and/or ELIMINATION.

23. CLOSED RINGS: Show arenas are closed at all times when not being used for classes. Sand hunter arenas will be open the day prior to the start of the show and for a limited amount of time at the conclusion of the show day. VIOLATIONS of the above will be considered cause for FINES and/or ELIMINATION.

24. OFF LIMIT AREAS: Schooling in any USEF non-designated area is prohibited.(per USEF Article 314.)

25. NUMBERS: **Horses are required to have their correct Horse Show Entry # attached whenever they are exhibiting.**

26. SCHOOLING SUPERVISION: Please be advised that paddock stewards are schooling supervisors and have absolute authority to scratch riders who do not follow USEF schooling rules. They can scratch riders without going through the USEF Steward or the Horse Show Manager.

27. CONFLICTS: It is the intention of Horse Show Management to avoid holding rings to wait for horses and/or riders. Riders with conflicts must arrange their jumping order

with the starters so that they will not hold up a class. Paddock Stewards have the authority to scratch riders who are not timely. Trainer conflicts are not considered legitimate conflicts.

28. DOGS ARE A SERIOUS SAFETY AND HEALTH PROBLEM AT ALL HORSE SHOWS. Dogs must be confined to the stable area at all times and be leashed!! Any dog's owner will be fined \$100 and may be asked to leave the show grounds if his/her dog is caught or even OBSERVED outside the stable area. Blenheim EquiSports is serious about dog control. Owners are expected to clean up after their dogs.

29. PARKING: All vehicles must be parked in designated parking areas. Access roads adjacent to the barns are for loading and unloading only! Unauthorized vehicles in non-designated parking areas or permit only parking areas are subject to tow away at owner's expense. CVC22658 CVC22500.1.

30. MOTORIZED VEHICLES: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles on the competition grounds of recognized competitions. Minors who have a valid temporary license may operate the above described motorized vehicles if they are accompanied by an adult with a valid driver's license. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with USEF Rule 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

31. MEDICAL WASTE: Sharps must be placed in the proper receptacles. Anyone found in violation shall be subject to a fine.
