Course diagrams will be posted at least one hour before the class.

In the rated hunter rings a one-minute gate will be enforced, and trainer conflicts will not be allowed to delay the ring. **No poling or offsets allowed.**

Orders of Go – Classes in the Hunter Rings will have specific starting times for each class and these times will be adhered to strictly. THE FEI CODE OF CONDUCT

FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and competitors must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. **The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.**

A full copy of this Code can be obtained from the Fédération Equestre Internationale, Avenue Mon-Repos 24, 1005 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English & French. The Code is also available on the FEI's website: www.horsesport.org.

15. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse--a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

16. STABLING: Horses are allowed to move-in the Monday prior to the start of the horse show. Please contact the facility to make arrangements for any stabling prior to those dates. Stalls whether occupied by horse, feed, or tack, will be available for \$200 (\$175 Showpark Spring Festival and June Jamboree). If stalls are not paid in full by the closing date of entries, they will be an additional \$30. First bedding will not be included. Permanent stalls are of wood or canvas construction 10'x10' with doors. **NO STRAW BEDDING WILL BE PERMITTED, AND ONLY SHAVINGS WILL BE PERMITTED. ANY EXHIBITOR USING STRAW WILL BE ASSESSED AN ADDITIONAL CHARGE. ANY EXHIBITOR REMOVING STALL DOORS WILL BE CHARGED AN ADDITIONAL \$100.**

17. GROUNDS FEE: There will be a \$50 per day grounds fee for horses trailering in and out and not renting a stall.

18. FEED & BEDDING: Hay and Shavings will be available and can be ordered in the Horse Show Office. Advance orders may be made by calling (949) 443-1847. Orders must be placed by 12:00 P.M. for same day delivery. Exhibitors may bring their own feed/shavings, however, deliveries by outside feed/shavings companies are prohibited. Exhibitors who bring their own shavings may be subject to a clean-up fee.

19. MANURE: Manure must be placed in designated areas. Trash must be kept separate from manure. **Each violation will result in a \$100 fine.**

20. RV PARKING: RV space is available at \$350 per show. RV's must be parked in their assigned space. Pumping service is included in weekly fee. **RVs must be reserved in advance on the official show entry blank.**

21. BOUNCED CHECKS: Bounced checks are regarded as a most serious offense and will be handled according to the following procedure: ALL RETURNED CHECKS WILL BE ASSESSED A 10% PENALTY. (\$50 MINIMUM) Persons will be given ten days to settle their account, with cash or cash equivalent including penalties, or be turned over to USEF & PCHA for disciplinary action.

22. SCHOOLING RULES: Schooling will be permitted in designated sand schooling areas only. (The word "schooling" includes, but is not limited to riding, driving, longeing, leading and exercising.) Ample jumps in the appropriate areas will be provided for schooling. The rider/trainer/coach/person setting the jumps is responsible to ensure that all components of the jump are available and if such parts are not readily available, they agree to notify the paddock steward.
