HUNTER CLASS SPECIFICATIONS

The courses offered at this show will consist of at least eight fences with two changes of direction. The second over fences class in each "AA" rated hunter division will be a handy hunter course. The fences will simulate obstacles found in the hunting field. The area of the courtesy circle may be restricted by a mandatory line and will be indicated on the course diagram and designated by a physical barrier placed in the arena. Course diagrams will be posted at least one hour before the class.

HUNTER SCHOOLING will take place in the sand hunter rings the day prior to the start of the horse show: Hunter nominating fee includes schooling at no charge. In the rated hunter rings a one-minute gate will be enforced, and trainer conflicts will not be allowed to delay the ring. **No poling or offsets allowed.**

Orders of Go – Classes in the Hunter Rings will have specific starting times for each class and these times will be adhered to strictly. Each hunter class in the hunter rings will have an allotted amount of time. Classes will end at the scheduled finish time. Riders who have not shown by that time will not be allowed to show. Posted orders may be imposed at any time. All entries must be made by 5:00 PM (or ½ hour after the last class, whichever occurs first) the day prior to each class.

Riders who sign up for a time must be ready to enter the arena at that specific time. **Riders who do not sign up for a time or do not make their scheduled time may be allowed to show at the discretion of the paddock steward if a time slot becomes available.** Classes will end at the scheduled finish time. Riders who have not shown by that time will not be allowed to show. **All entries must be made by 5:00 PM (or ½ hour after the last class, whichever occurs first) the day prior to each class. No entries will be accepted for a class scheduled on that same day.**

Martingales – In any jumper class offering prize money of \$1,000 or more only standing martingales or running martingales, used in the conventional manner, are permitted. In any class offering prize money of \$5,000 or more, or classes restricted to horses eight years of age or younger, only running martingales, used in the conventional manner, are permitted.

Jumper Attire: Riders in jumper classes (except Special Classes) must wear collared shirts and/or jackets with collars. T-shirts and sweatshirts are specifically prohibited. INTERNATIONAL JUMPER FUTURITY 2010 WESTERN FINALS COMPETITIONS

The International Jumper Futurity Finals is an independent event held in conjunction with the 2010 Blenheim Fall Tournament Horse Show. Entries must be made on the official IJF Show Entry form and returned to the IJF office. IJF Show Entry Forms will be sent out to all the nominators of 4-year old young horses in July.

IMPORTANT REMINDER!

Stabling and Drug fees are paid DIRECTLY to The Blenheim Fall Tournament Horse Show Office by the horse show deadline. Simply note on the entry blank that your horse is competing in the IJF Western Regional Show.

THE IJF FORMAT

The purpose of the IJF is to encourage and promote the breeding of superior sport horses in the United States through showcasing of 4-year old jumper prospects in their early stages of training.

Courses: All courses for IJF competitions will be designed to be inviting to young horses with little or no prior show ring experience. Very simple tracks will be used with hunter-type lines and jumper-type fences. The course will be designed to aid the horses in showing their natural talent in the very early stages of their training.

Wednesday, September 15, 2010

ROUND #1: Each horse will perform an individual 1½ minute “freestyle” flat phase with trot and canter circles in both directions, demonstrating lengthening and shortening of stride. The horse will remain in the ring and then be shown over a course of fences with simple distances. A trot fence may be included in this round. Fences in this round will not exceed 3’ in height and 3’6” in width, giving the judges and course designers the opportunity to evaluate the quality and experience of the horses at each particular event. Horses may be shown in running or standing martingales but draw reins are not allowed.

Thursday, September 16, 2010

ROUND #2: The horses will be shown over a course of fences up to 3’3” in height and 3’6” in width. Simple double combinations may be used. Horses may be shown in running or standing martingales but draw reins are not allowed.

PRIZE MONEY DISTRIBUTION

\$1,000 will be awarded to all horses completing both rounds. Additional prize money will be awarded to the top horse in the following categories: 1) Movement/type, 2) Consistent Performance, and 3) Grand Prix Potential. The emphasis is being shifted from “placings” for the four year olds to a “less competitive” opportunity for owners and breeders to showcase their young horses in their early stage of development. The “finals” have been eliminated. The IJF is awarding substantial prize money to IJF horses that continue on to show in the 5 & 6 year old Young Jumper Championships. A total of \$40,000 will be offered this year at the east and west coast finals. IJF nominated horses are eligible to compete in all qualifying classes and the championships with no additional fees.

For additional information on the IJF program and the young jumpers go to the www.youngjumpers.com website and click on the IJF or the Young Jumper logo.

15. ASSUMPTION OF RISK: By signing the entry blank, the Owner, Lessee, Trainer, Manager, Agent, Coach, Driver, Rider, Handler, Vaultor or Longeur acknowledges that horseback riding, particularly jumping, is a dangerous activity and involves inherent risks that may cause serious injury and in some cases death because of the unpredictable nature and irrational behavior of horses, regardless of their training and past performance and expressly assumes all such inherent risks whether identified herein, in the entry blank or in the Federation Rules and Regulations. A horse, without warning or any apparent cause, can buck, stumble, fall, rear, bite, kick, run, make unpredictable movements, spook, jump obstacles, step on a person's foot, or push a person--all of which may cause the rider or observer to fall or be jolted, resulting in serious injury or death. A horse may also become loose and cause injury to an observer or rider or to another horse--a loose horse can run at full gallop in a panic and run into objects or persons or other horses. The Show Ground Facilities are bordered by highways/roads and thus noise from traffic and other sources occurs that can and will cause a horse to unexpectedly spook or react quickly. The Show Ground Facilities contain roads and driveways that are traversed by cars, golf carts, tractors, trailers and heavy equipment all of which may spook a horse. The above warnings and risks are meant as an example of some of the risks that are inherent and may be encountered but it is agreed this is not an exhaustive list and there are numerous additional conditions and/or events that may result in injuries while participating in the Competition and/or being present on the Show Ground Facilities.

First bedding will not be included. Permanent stalls are of wood or canvas construction 10'x10' with doors. **NO STRAW BEDDING WILL BE PERMITTED, AND ONLY SHAVINGS WILL BE PERMITTED. 27. CONFLICTS: It is the intention of Horse Show Management to avoid holding rings to wait for horses and/or riders. Minors who have a valid temporary license may operate the above described motorized vehicles if they are accompanied by an adult with a valid driver's license. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with USEF Rule 6.
